The President,
Crownpoint International College of Health Sciences,
Management and Technology,
Ogun State.

Dear Sir,

PROVISIONAL APPROVAL

I have been directed by the Governing Body of the National Association of Public Health Practitioners of Nigeria, to inform you that your payment has been received and application has been reviewed.

You may now proceed to recruit candidates for the approved course:

- Public Health Assistant (certificate in public health)
- Public Health Technician (diploma in public health)
- Public Health Technology (HND in public health)

The membership qualifying examination takes place twice in a year; in the month of June and December. Induction holds after the examination; the date for induction is fixed by the College after all payment must have been made. Registration of students is in their first year of admission.

Congratulations!

Dr. Bolaji Olajumokeye
Deputy Registrar
